

Santa Barbara Permaculture Network Presents

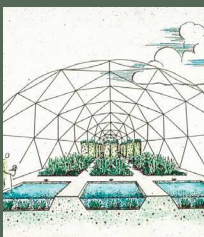

Healing Earth

An Ecologist's Journey of Innovation and Environmental Stewardship

With Ecological Design Pioneer,
John Todd
Oct. 18 & 19, 2019

"Ecological design goes way beyond any other field of design. It taps deep into Nature's operating instructions, organizing knowledge and ecosystems to serve human needs without despoiling the planet."

Talk & Book-Signing

Friday, October 18 · 6:30-8:30pm · \$10

Workshop

(Register on Eventbrite)

Saturday, October 19 · 9:30am -12:30pm · \$30
