

# Santa Barbara Permaculture Network Presents

## THE STATE OF FIRE; WHY CALIFORNIA BURNS BOOK SIGNING & TALK WITH AUTHOR OBI KAUFMANN

Joined by panel of community members & Santa Barbara Poet Laureate, Melinda Palacio

Thursday, Feb. 20 • 6:30 - 8:30 pm • FREE

SBCC West Campus, Fe Bland Auditorium/BC Forum | 800 Cliff Drive, Santa Barbara

From the creator of The California Field Atlas, a book of stewardship, resilience, and hope.

Fire is an essential part of California's ecology. Humans have been using it to shape the California landscape for thousands of years. But today many Californians' relationship to fire is primarily one of fear. Obi Kaufmann now asks: How do we live with fire? And how do we benefit from its teachings?
